Sub: Letter of Appreciation

Respected Sir,

It was really an awesome experience for us during our study tour to Hyderabad. We really overwhelmed by your gesture, reception, accommodation, transportation, catering etc. Your hospitality was excellent.

I cannot forget your personal call to me every day morning to enquire whether everything is fine during our stay (25th, 26th, 27th and 28th Nov 2014) in Hyderabad.

You really arranged and managed everything very smoothly for our 40 member team. Food was really good, itinerary was perfect and rooms were up to our expectation. At last I would like to express that due to you our tour was a grand success.

Thanking you.

Yours sincerely,

HOD, Dept. of IMBA
