---

Chikmagalur. Pamper your guests with the most comfortable stay and host a party that everyone will remember for a long time.

---

## THE DESTINATION

---

The Serai Chikmagalur is a boutique resort with 30 elegant villas and a vast expanse of land, ideal for an intimate wedding. From the lime green gardens to the rich emerald of the coffee plantations, the property exudes lushness with various shades of green that complement well with the wedding colours.

The villas come with all modern luxuries, including private pool or jacuzzi, lounge area, and sundeck. The picturesque views of the verdant hills all around are the natural aesthetic elements further decorating the place.

Chikmagalur has a generally moderate to cool climate that allows for outdoor celebrations on most days. The Serai also has spacious banquet halls for indoor functions.

## THE EVENT

---

From dancing to your heart's content during the Sangeet to exchanging heart-warming vows under an arbour of exotic flowers, your wedding at The Serai Chikmagalur will be extra special indeed. Let everyone enjoy an al fresco feast of the finest food. Might we suggest including a hint of Malnad cuisine to add the flavour of the destination in your wedding.

Our trusted events partners are here to have the setup done the way you imagined. So, you don't get overwhelmed by the details and focus on preparing yourself for the big day. You can also livestream the events to those who would like to be a part of the wedding from afar.
