Evolve Back Kuruba Safari Lodge

Located on the periphery of both Bandipur and Nagarhole National Parks, about 90km from Mysuru airport, this riverside retreat offers rooms with temperature-controlled private pools and Jacuzzis. The architecture of the property is eco-friendly and features local touches. There are three restaurants on the property, but if you are up to it, book a candlelit dinner on a cruise. There are safaris by jeep and boat, so you can opt for one that suits you, or just enjoy the other activities on offer. Enjoy an Ayurvedic treatment at the spa, take a picnic down to the riverbank or go on a quiet, guided nature walk to spot birds, butterflies and a wide array of flora. You could also visit the nearby village and explore local culture. *Website; doubles from Rs38,000 for a Pool Hut*
