

Welcome to Agartala, the city of
Temples & Palaces. Known for Manikya
kings and its special place in the heart of
the Nobel Laureate Rabindranath
Tagore.

Agartala is a component of two words,
namely Agar, a valuable
perfume tree, + tala,
a store house.

We aim to be to be just that, a Store
House of marvelous fragnance and
flavour.

Three 81 celebrates the STD telephone
code of the city, looking both inwards
and outwards!

We have endeavoured to create a
unique menu which is a mix of comfort
food layered with favourites from other
Polo Towers Group hotels in Shillong
and Kolkata along with local flavours.
Sit back and enjoy some delicious
food.

Bon Appetit!
