

UDAY SAMUDRA
LEISURE BEACH HOTEL
KOVALAM, KERALA

About the Hotel

With 227 luxury rooms, our flagship property Uday Samudra Beach Resort is one of the largest five star hotels in Kerala. It is also perhaps the only property in Kovalam that gives you direct access to an expansive secluded beach. The ISO 9001-2015 certified winner of the World Luxury Hotels Award since 2011, Uday Samudra is not just a hotel, but an inspired concept of heart-warming hospitality.

A cool, almost loving, smear of sandal paste on the forehead and a seasonal drink welcome you to Uday Samudra. A vast lobby in opulent traditional decor gives you a foretaste of the time-honoured hospitality that awaits you. Glass elevators give you a preview of the landscaped beauty within and the picturesque scenery around the resort. Unobtrusive staff, who combine friendliness with attentive professionalism, escort you to your unique vacation in Kerala.

Be it a dizzying beach holiday, an Ayurvedic monsoon rejuvenation, a bright summer splash, a nostalgic reunion, a heady weekend, a much-deserved incentive, a dream wedding or just a night out... Uday Samudra Beach Resort has it all planned for you.
