

Dear Patron,

Hope you and your dear ones are safe in these pandemic times.

Suba & Click Group of hotels is pleased to announce a new venture

**Cinnamon Industrial Catering & Hospitality by Suba**

In the time of the Coiv-19 pandemic when hospitality industry across the globe suffered the most, people were left with exploring different opportunities. Suba & Click Group of hotels did an intense market research and realised the need of a professional approach to ensure the task force workers are well looked after in terms of hygiene, meal portions & nutritional value.

Every organisation does have an intention to provide a basic & good meal to their staff members but they are unable to bear the high cost of such meals. In order to bridge this gap, Suba believed in looking at each difficulty as an opportunity!! Owing to our experience of 5 decades in the hospitality industry and having served at least 4 million guests, we expertise in providing a proper balance of Quantity & Quality clubbed with reasonable pricing to suit individual needs.

We request you to give us an opportunity to serve you and your team members with various meal options and services at Cinnamon Industrial catering by Suba and we ensure a wholesome & hygienic meal each time
