

Welcome To Khansamaa, our latest unit of Maharaja Group.

Our beginning in 2005 as a modest family restaurant, Maharaja today has grown as the most admired eatery establishment in Chikmagalur.

We have now launched Khansamaa in the same pursuit of our mission in the Land of Coffee for our loyal customers near and far.

Our motto is redefining taste to its best, which is why we strive to bring various exquisites and a wide range of multi-cuisine dishes served in a contemporary setting.

We highly recommend you to explore our authentic Khansamaa Mutton Biryani which is the most popular variety on the menu card. It is a rice varietal that you will not easily find in Chikmagalur and we pride ourselves in claiming it to be one of the best Biryani in this part of the world.

If you are in the mood for something exceptional, ask for our specials, which include Nalli Nihari and other tandoor delicacies.

Complete your culinary experience with a choice of delicious regional desserts including Shahi Tukda, Qubani (Apricot) ka meetha - an absolute delight.

We also Practice the highest quality and hygiene standards to ensure our cuisine remains top-notch in all aspects. In case of any food allergies or special requirements, we would be happy to help you out.

We truly rely on you for your feedback and valuable suggestions.

Thanking you
Khansons
