Dearest Jasminn Guest,

Welcome or Welcome back to Jasminn Hotel.

We hope you have all been safe and secure at home and will be during your vacation here in sunny Goa. Our last update was in March 2021, just before the horrific Second Wave hit India and many parts of the world. It devastated lives, homes, families, neighborhoods, cities and countries. Since then, they are rays of sunshine (even in the monsoon!) that things may be getting better. Cases have reduced, vaccinations are helping etc.

But do NOT let your guard down. Even with vaccinations on the rise, one has to take basic precautions we have advocated since the beginning of this pandemic.

***Jasminn® Hotel, South Goa!** A flower, a fragrance, simple yet distinctive, elegant yet basic. The word evokes all the above and more. A new approach to hospitality, “Stay Your Way®”.*

I take this opportunity to thank you for your stay with us.

***Jasminn® Hotel, Betalbatim, Goa,** is the quintessential village resort, showcasing the best of what Goa has to offer to our guests. All the elements of a simple life, yet the distinct touch of thoughtful luxury, are all packaged into an affordable holiday here.*

In keeping with the “New Normal” and to avoid as many “touch points” as possible, this Directory of Services is now available on our website, to give you a quick summary of services and facilities available at our resort.¹

Please dial Guest Services at any time for more help and information.

I take this opportunity to wish you a comfortable stay with us.

Let us all hope the new year brings us relief from this cursed pandemic and we all come out of it together.

With warm Goan regards,

Manish Khanna
Chairman & Managing Director

Dirty Chic?!

Superior and Premier Rooms

What an oxymoron! How can something be dirty yet be called chic?! That's exactly what we have tried to achieve in our design of these amazing new rooms. What you see as stains, or marks of mud, are exactly that. They are in the tiles or the woodwork. Does this mean the tiles or cupboards are dirty? Most definitely not. Our rooms are spic and span. We may just be able to eat off the floors. We don't want you to of course!

- Notice our theme. Rough plastered whitewashed walls flowing to curved white ceilings
- The flooring tiles are handmade cement tiles from Bikaner in Rajasthan. While making these tiles, mud would have entered the mold, and rather than discarding these tiles while laying them, we chose to use them to enhance the essence and look of the entire flooring. Run your finger on the same.... Does mud come out? No, it will not.
- The bathrooms have the walls in their distressed aqua green finish, with the black sand blasted granite niches, as well as flooring. The rustic distressed finished coves are below the vanity counter to place towels and other amenities yet feature modern Kohler and Jaquar fittings.
- The fixed stone bed headboard and side tables in distressed paint add to the whole dirty chic look. Elegant drapes and sheer curtains give you your privacy.
- Our furniture in distressed paints, different colours give the feel of putting together boards of wood from older furniture. Again, hand crafted from Rajasthan, these pieces of furniture from the TV table, dining table, minibar to the wardrobe, give the exact distressed look and feel.
- At over 320 sq.ft., these rooms are larger than most luxury hotels in Goa and elsewhere!

All this does not mean we compromise on other finer and modern amenities we have provided in these rooms. To list a few:

- ☐ Super comfortable 10" pocket spring mattresses for a perfect night's sleep.
- ☐ Concealed individual air-conditioning units
- ☐ 32" HD LED TV's with HD channels via set top box
- ☐ LED lighting in the whole building. *We need to save energy for everyone's future!*
- ☐ Solar hot water, 24x7. *Renewable energy is the only way to go!*
- ☐ Modern minibars and Brewing Station
- ☐ Modern high security Onity locks and in-room safes
- ☐ Telephone with International Direct Dialing
- ☐ Wi-Fi access across the property
- ☐ Large balcony sit out with views of either of our swimming pools (probably the only boutique budget hotel in Goa with **two** pools!)

Do give us your valuable feedback on these rooms. Also, visit www.jasminnhotels.com for more information, instant booking at best rates, picture galleries and all our other facilities and services.

Warmest Goan regards,

Team Jasminn
